AT ONTONAGON

Gorman Lumber Outfit Plans To Rebuilt Its Plant

partly covered by insurance.

Plans for the rebuilding, how- cial district. ever, said Mr. Gorman, are indefiequipment to replace that destroyed by the fire. The replacement cost is estimated at \$20,000.

The fire was discovered by Peter Carbeneau, night watchman, at 7:30. He called the Ontonagon fire department immediately and when he turned from the telephone the building was a mass of flames. The cause of the blaze has not been determined.

Took Over Feb. 1 The Gorman Lumber Co. took over the mill and holdings of the Lake Superior Lumber Corp. Feb. 1. Destruction of the sawmill necessitates the temporary layoff of 150 to 175 men, said Mr. Gor-

The planing mill and other structures were saved from the flames by efforts of the Ontonagon volunteer fire department and company employes. Slight damage was done to the boiler room, separated from the mill by a narrow alleyway, to a loading platform and some green tie cuts. Was Fast Mill

The sawmill was one of the fastest in the Upper Peninsula, with an annual production of 30 million board feet of lumber. It had been in constant production since its completion in 1936, operating the year around two shifts except for a month's annual maintenance shutdown. The building was 200 feet long by 80 feet wide, of frame construction.

The company has been employing 400 men in the sawmill, planing mill, and in woods operations. An effort will be made to determine whether other mills in the area can handle the logs and ship the rough lumber here for processing. Only three other mills of comparable size operate in the county, the Fox mills at Trout Creek and Mass and White River mill at Bergland.

The Washington Merry-Go-Round

BY DREW PEARSON

Washington.—There wasn't a dull moment when the House-Senate Budget Committee met behind closed doors last Friday to approve that \$6,000,000,000 slash in government spending. At one point in the

secret debate, Democratic Senator Alben Barkley flatly accused G. O. P. leaders of Star Chamber tactics in drafting the budget report.

"Most of us have had no chance to declare our views," the Kentuckian asserted angrily, "The House spokesmen have been meeting separately

behind closed doors. Now you want to bring in your findings and expect us to agree to them without question. This whole issue has been handled in a very arbitrary fashion, which I disapprove."

G. O. P. Representative Everett Dirksen of Illinois replied that the separate meetings of House members were necessary, due to lack of time.

"We had very little time in which to get out this report," argued Dirksen. "And some Senators weren't always available when we wanted to hold meetings. However, I am sure that all members of the Senate Appropriations Committee, Democrats as well as Republicans, have had plenty of opportunity to express themselves."

At another time, Barkley objected to being shut off by G. O. P. Representative John Taber of New York, who presided, while Barkley was discussing military spending. Taber retorted that Barkley nimself had urged the application of House procedure rules at the meeting.

"I am, therefore, limiting everybody who wants to make a speech to five minutes, so all members can have their ay," grinned Taber.

Barkley sat down without joining in the laughter

What's wrong with a one-passenger trolley?

- · You might praise its comfort and convenience, if you happened to be the passenger. But if others were waiting, we believe you'd agree
- vice. Many people have waited a long time for a telephone, and sharing the lines means more
- that sharing the trolley is a more practical plan. The same principle applies to telephone ser-
- service for more people sooner. That's why we are making the widest possible use of party-line facilities. When more central office equipment and outside lines can be provided, we'll be able to furnish one-party service to everyone who wants it.
- Meanwhile, if you're on a party line, you can help make service better for everyone by following these simple suggestions:
- 1. When the line is in use, please don't interrupt except in case of emergency.
- 2. Keep all calls as brief as possible.
- 3. Avoid making several calls in immediate
- 4. After every call, hang up carefully. One receiver improperly replaced puts all the telephones on the line out of service.

WINTER SPORTS LEADERS MEET

George Heughens Is New President Of U. P. Council

Gordon Heughens, Marqquette, was elected president of the U. P Winter Sports council for 1947 at the annual meeting held in Escanaba. He succeeds George Grenholm, of Escanaba.

Other officers elected for the year include Fred Seibert, Gladstone, vice president; and Mrs. Gunther C. Meyland, Marquette, secretary. The next meeting will be held in Iron Mountain March 9, at which time bids will be received for the 1948 U. P. winter

It was decided to appoint an official photographer to cover all major winter sports events and a committee consisting of Dr. George Clement of Iron Mountain and Fred Seibert, Gladstone, was appointed. A discussion of winter sports publicity and advertising

It was voted to include cities adjacent to the Upper Peninsula in the U. P. Winter Sports Council, among them Niagara, Marinette and King's Gateway in Wisconsin and Soo, Ontario.

A membership committee comprising Mrs. Meyland and Ed Stevens was appointed.

Honeyboy Bratton Wins Tenth Fight By Split Decision

BY CHARLES DUNKLEY Chicago, Feb. 18 (A)—Johnny Honeyboy" Bratton, 19 year old Perkins Chicagoan rated as the No. 1 ightweight challenger, registered his tenth consecutive victory in the Chicago Stadium tonight with a ten round split decision over

The battle drew 17,630, largest

from Brooklyn.

boxing card crowd to the stadium in two years, and enriched the fistic promotional firm of Jack Begun and Irving Schoenwald with a gate of \$78,230.

Bratton, the lad with the talented fists and incredible coordination, fought an unsatisfactory battle, compared with his previous thrillers. He chose to clown most of the way and picked up the fourth, ninth and tenth rounds. Bratton scored with snappy left jabs and right crosses.

Bratton weaved and danced away from Kapilow's dangerous punches with the exception of the third round when Kapilow trapped him in a corner and clouted him with rights and lefts to the head. When Bratton escaped, Kapilow forced him to the ropes and opened up again. The fourth was Kapilow's best showing in the ten

for Kapilow.

MUNISING TOPS TROJANS 43-42 Bonifas Gym

St. Joseph Drops Close Game On Off Night At

St. Joseph's high school basketball team lost a heartbreaker, 43-42, to the Munising high quintet in the Bonifas gym last night, with the lead slipping and sliding be-tween them all evening.

In the first quarter, St. Joe got away to a poor start, setting the tune for its night's dancing righter there, when it let Munising take a 12-7 lead at the end of the first period. In the second period, St. Joe

characteristically came back strong, scoring 11 against Munising's 5 to end the half with a one point, 18-17, lead. The third quarter was even

ending with that one point lead over on Munising's side of the column. In the opening minutes of the fourth quarter, Munising, let loose a flickering attack that piled up points in a hurry.

St. Joe, who between sudden spurts had been booting badly all evening, booted some more before they put on a last minute drive just a little too late.

Sowa, Munising center, and a very clever ball player, was the

game's high-point man, gathering in a total of 15 points to top Lewis of St. Joseph's by one point. In the preliminary game, the St

Joseph Reserves nosed out the Escanaba junior high team 27 St. Joseph FG F FM PF Henriksen 4
